1 DAY MORETON IS. 4WD ADVENTURE TOUR

KAYAK/SNORKEL TANGALOOMA WRECKS, SANDBOARD EXPERIENCE

Our Moreton Island Adventure tour starts with a luxury cruise across beautiful Moreton Bay to Moreton Island. On arrival we board our 4WD and drive off the ferry directly on to the beach. Moreton Island is the worlds third largest sand island of which 98% is a protected National Park, with no sealed roads. Travelling by 4WD along Middle Road, we pass through thick eucalypt forest, featuring beautiful Xanthorrhoea (Grass Trees) up to 250 years old on our way to The Desert, the home of sand boarding. Sand boarding and tobogganing is a fun, adrenaline pumping activity. From beginners, young children and families, to the most adventurous adrenaline junkie, The Desert is the perfect place to learn, or fine tune, your sand boarding skills. This open sand dune is shaped every day by winds that form the perfect wave. Make sure you bring your camera to get plenty of impressive shots!

While a fresh picnic lunch is prepared by your guide take a moment to relax on the white sandy beach. Go for a leisurely walk or swim, or take some time out to sunbake. After lunch we take you on a guided snorkel around the Tangalooma Shipwrecks. With 15 shipwrecks located just 50m off the beach, the Tangalooma Shipwrecks are home to one of Queensland's most diverse marine eco systems. See a huge range of marine life including Butterbrim, blue and orange banded Parrotfish, Big Eye Trevally, Wobbegong, Blue-Tang Surgeonfish (Dory) and Clown Fish (Nemo)!

For those people who are not strong swimmers or do not wish to snorkel, Kayaking around the Shipwrecks is a fantastic alternative option. View these magnificent shipwrecks from above the water for a completely different outlook on Moreton Bay and its spectacular scenery. Kayaking may also be offered as an alternative to snorkelling should conditions be unfavourable.
